Switch to the bank who will *always have your back!*

For 50 years, Unity Bank has helped many union members with their loans and other banking needs when other banks won't. We offer a wide range of financial products and services just like most banks but our difference is we provide an open and honest approach to banking service.

When you are facing uncertain times, one thing is for sure, we will always be here to support you through thick and thin. It is what we have been doing for 50 years and will continue to do in the future.

To make the switch less painful, our Relationship Manager, Seamus Ryan is ready to help you. Give him a call today.
